

Student Code of Conduct

*Created: 2020
Next Review: 2022*

Majella is a place where children come to learn to make friends with others. We all have a responsibility to make sure this happens each day. We follow the school rules **Respect yourself, Respect others and Respect the place you are in.**

At Majella we...

respect teachers by listening, using manners and allowing them to teach.

respect classmates by letting them learn and by speaking nicely.

respect the school by treating equipment with care.

It is important teachers make sure students follow the rules of the school. Majella is better when students can learn and are treated nicely. School is a good place to come to when these things happen. We know that if the rules are not followed, there will be consequences given by those in charge.

Acknowledgement and Agreement

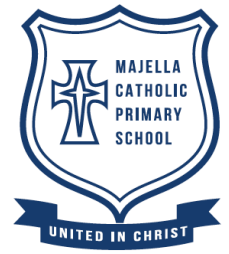

I understand how I am to behave at school and know there are consequences if I cannot follow the rules in this Code of Conduct.
